A WAY OF LIVING

**THE GROVE IS A CURATED LIVING ESTATE
DESIGNED FOR PEOPLE WHO WANT:**

- Order
- Community
- Security
- Long-term value

WHAT WE MEAN BY CURATED LIVING

- Intentional planning
- Defined zones
- Shared lifestyle amenities
- Strong estate identity

WHY THE GROVE?

Bwari is rapidly becoming a preferred residential corridor due to:

- Population spillover from central Abuja
- Demand for organized, gated estates
- Limited supply of properly planned communities
- The Grove sits on 30,000 sqm, designed as a low-density, well-governed mini-estate — not a mass layout.
